

# FCA Next Steps

Having direction is important, otherwise we don't know where to go next! The desire is for every huddle to get to home plate, but we can't score without knowing how to hit each base. Our goal is that every huddle leader will be able to identify where their huddle is and how to get to the next base.

No matter where your huddle is around the bases, each step that you make is a win! Like life, there are seasons in huddles where we make three steps forward and two steps back. That's OK! We can't hit home runs every time. Our focus should be to keep moving forward and taking small steps to get to where we want to be.

Greater PDX FCA is a team and we want you to know that you are not alone in this game! We want to do all that we can to make winning steps towards becoming Discipleship-Focused, Christ-Centered, and Leadership-Driven!
